Dear Dr. Lederberg:

I continue to enjoy your Washington Post columns and particularly those of April 4 and 11.

It was a pleasure to speak on the same program with Joe Fisher at the University of Pennsylvania last week. I won't be making any more public statements on land use until the publication of a comprehensive article in the Michigan Law Review in June. In view of your interest, however, I am enclosing a copy of the AEC Power Line Brief of 1965.

I am looking forward to the April 22 appearance.

Keep the faith.

Best regards,

Paul N. McCloskey, Jr.
